

Corsham Regis Buddy Stops

Only go to the buddy stop if you have **NO-ONE to play with and are feeling **LONELY**.**

STAND or **SIT** next to the buddy stop quietly and sensibly and **WAIT** for a buddy to come.

EVERYONE, not just the 'Playground Buddies' will look out for children waiting at the buddy stop and ask if they want to join in a game.

If no-one comes, stay calm and **TELL a Playground Buddy or an adult on duty so they can help you.**

If someone asks you to join in their games remember to say a **BIG THANK – YOU!**
