

CORSHAM REGIS PRIMARY ACADEMY

Together Everyone Achieves More

Coming up next week:

Tuesday:

- Parent & Carer Consultation Evening
- Cross Country Years 5&6

Wednesday:

- Parent & Carer Consultation Evening

Dear Parents and Carers

Welcome to our new look newsletter.

Instead of receiving a monthly edition, you will receive a copy weekly so that you get a fuller flavour of your child's learning here in our Corsham Regis community.

I do hope that you will find it useful and informative. Copies will be available on the website and the 'Coming Up Next Week' feature will also be posted on our Facebook page.

Mr Gareth Spicer, Headteacher.

Celebration Time

Learning Heroes: Lily S, Scarlett C, Lamari and Gracie-Mae T

Special Table: Gracie F, Tony R, Rhea S and Alice L

This week pupils in **Crystal Class** have been using exciting drama and talk to prepare for writing newspaper articles from given headlines. What did happen when the Co Op ran out of food?!

A letter will be going out on Monday regarding your consent for your child's photo being taken.

Please return these by next Friday. Thank you

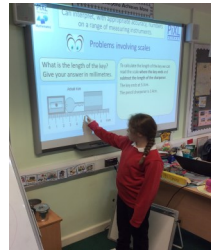

Garnet Class had to improvise this week when the heavens opened and postponed their walk about Corsham. Fortunately the rain didn't damage the internet so they could still learn about land use in the town.

The character we all want for your children

In **Amethyst Class** pupils have been solving some very challenging reasoning problems involving measure.

Pupils in **Opal Class** loved working with Rachel from Up and Under Sports to improve their gymnastics.

Our (Wildly Important Goal) WIG for Year 6 is **58%**

This is the percentage of pupils who must achieve the expected standard in Reading, Writing and Maths in July 2020

Any other business:

If you haven't signed up to Seesaw yet, please do so.

Mrs Stone and Mrs Harris have been WOWED by how well **Jade Class** have been learning their initial sounds this week.

Attendance:

This week **Opal class** had the highest attendance with 99.57%

Attendance overall is **97.23%**

Hugely impressed with the resilience of pupils in **Onyx Class** when faced with column addition.
