Together Everyone Achieves More

Dear Parents and Carers

Half term has arrived! The children have been working really hard since returning in September and need some proper down time.

One thing all of us here would like you to do with your children, if you don't do already, is share a good book. Reading together is great for helping to switch off, developing our imagination as well as improving literacy skills. At the moment I'm reading Billionaire Boy by David Walliams with my son and we love it! What are you reading?

I hope you all have an enjoyable and safe time together.

Mr Gareth Spicer, Headteacher.
