

## Computing

To connect

- Use simple databases to record information in areas across the curriculum
- E-Safety

## PE

- Up and Under PE coaching
- Games and Gymnastics

## Am I a Solid, Liquid or Gas?

## English

We will be learning to use commas in a list speech marks and a range of conjunctions in our sentences. We will be focusing on using fronted adverbials. We will write a science report based on our experiment. We will also write poetry, letters and a story.

## Learn 4 Life

We will take part in Anti- Bullying Week.

We will be carrying out a democratic debate on Parliament Day.

We will also learn about taking turns, how to stay safe whilst out and about and dangers in the home.

## This terms focus is Science

### Skills taken from Milestone 2

- Compare and group together different kinds of rocks on the basis of their simple, physical properties
- Relate the simple physical properties of some rocks to their formation (igneous or sedimentary)
  - Describe in simple terms how fossils are formed when things that have lived are trapped within sedimentary rock
  - Compare and group materials together, according to whether they are solids, liquids or gases
  - Observe that some materials change state when they are heated or cooled

## Mathematics

- Mental Maths- Times tables
- Fractions
- Multiplication
- Division
- Arithmetic

## R.E

Has Christmas lost its true meaning?

Do sacred texts have to be 'true' to help people understand their religion?

Is religion the most important influence and inspiration in everyone's life?
