**Thursday:**

Prospective Parent & Pupil Taster session 9:15-10:15am

**Friday:**

Tombola mufti day

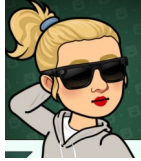

Inter House Reading Competition

Mid Wiltshire Year 5/6 Football Finals

**Dear Parents and Carers**

Hopefully your child will have come home talking about some of their learning in Science this week. That's because all pupils this term are learning about materials and their properties. It's been fantastic looking at the range of science based learning and experiments taking place. Ask what they've been up to!

Mr Gareth Spicer, Headteacher.

Hi, I'm Mrs Stone. If you're looking for a school place in September 2020, visit us next week for a taster session. Times are on the left :)

## Celebration Time

**Learning Heroes:** James and Kirudhaya

**Special Table:** Evie, Alisha, Alana and Amelia

**Pen license:** Anna and Erin

**Sapphire:** Kenzie, Lilly C, Shae, Marley, Ethan, Benjamin, Henry, Theo, Jett, Kirudhaya, Ollie, Victoria, Keely, Sophia and Evan

**Gloop, glorious gloop!**

Pupils in **Amethyst Class** have been making gloop as part of their science themed topic - Changing Materials. Having already made the mixture, which is hard to tap but soft enough

to allow sticks to sink into it, pupils here are learning new scientific vocabulary.

**Who doesn't love a game of Chinese Whispers?!**

**Jade Class** have been concentrating very hard this week on improving their speaking and listening skills.

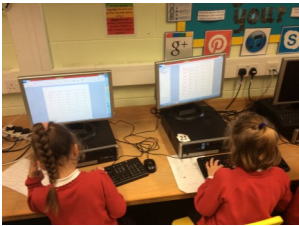

**Hockey sticks up!**

In **Crystal Class** pupils have improving their hockey dribbling skills with coaching from our Up and Under Teacher, Mr Peters. I think we have some potential stars of the future from my observations on Monday.

Pupils in **Onyx Class** have this week been learning how to create databases using information collected in their science topic.

**Our (Wildly Important Goal) WIG for Year 6 is**

**58%**

This is the percentage of pupils who must achieve the expected standard in Reading, Writing and Maths in July 2020

**Any other business:**

Fraser Portraits will be in school on Tuesday 5th November to take individual pupil photos. A separate letter will go out about this but please note if you have not returned the photographic consent form given out earlier this term,

Pupils in **Garnet Class** have had great fun learning about fossils this week before making their own from clay.

**Attendance:**

This week **Opal Class** had the highest attendance with **99.1%**

Attendance overall is **96.20%**

In **Opal Class**, with some help from Mrs Martin from Up and Under Sports, the children have been outside practising their ball handling skills.
