

# CORSHAM REGIS PRIMARY ACADEMY

Together Everyone Achieves More

**Coming up next week:**

**Tuesday:**

Sports Crew assembly

**Wednesday:**

Christmas lunch

**Thursday:**

Champions assembly

Christmas parties in school

**Friday:**

Carol service in St Barts

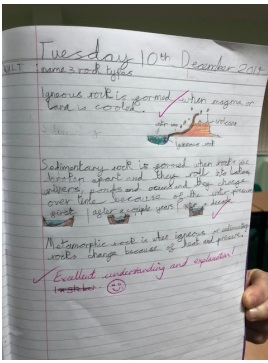

Dear Parents and Carers

This week it has been a joy to watch our Early Years and Key Stage 1 pupils take to the stage and perform 'A miracle in town.' We were all so proud of them!

I do hope you'll be able to join us for what is always a special service at St Barts next Friday. If you are planning on taking your child home directly from the church, please complete the reply slip from Mrs Stone's letter last week and return it to school. Thank you.

Mr Gareth Spicer, Headteacher

I love this scientific explanation from a pupil in **Crystal Class** about different types of rock and how they are made.

85%

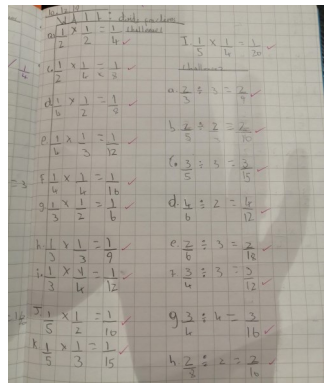

of parents with kids aged 6-17 agree:

"I wish my child would do more things that did not involve screen time."

Mrs Does says:

In **Amethyst Class** this week, the children have been completing all things fraction related. Very challenging and so well presented!

This little chap in **Jade Class** loves using his sounds to learn and spell words. We are super impressed with the progress he has made since joining Regis.

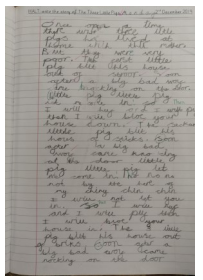

**Attendance:**

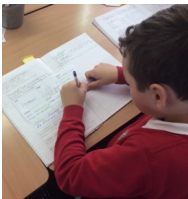

This week **Opal Class** had the highest attendance with **97.56%**

Attendance overall is **96.06%**

Pupils in **Opal Class** this week must have aching wrists! They have been working so hard to finish their version of The 3 Little Pigs.

Pupils in **Garnet Class** have been very busy this week editing their fab writing about the water cycle using purple polishing pens.

**Any other business:**

Some of you have already asked, however just in case you were unsure, **yes — Christmas jumpers may be worn on Wednesday when it is Christmas lunch day but no jeans. We'll try and play some Mariah as well!**

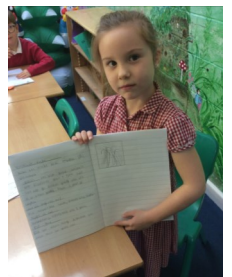

Where in Corsham would you find this?

Our (Wildly Important Goal) WIG for Year 6 is

**58%**

This is the percentage of pupils who must achieve the expected standard in Reading, Writing and Maths in July 2020

In **Onyx Class**, pupils have been writing non-chronological reports about rocks. This young starlet has worked her socks off and produced some super writing!

**Corsham Regis Primary Academy**

Is your child starting school in September? Get them off to a great start at Corsham Regis, proudly part of The Corsham School Academy Group!
