

School Closure Daily Planning- Onyx Class

DATE	Reading	Writing	Mathematics		Topic				
Monday 30 th March	If you have finished your first book, start reading your second book this week. Talk to someone about what it was about. Who are the characters? Where is it set? What happens? Is it the same as your prediction so far?	Before you start reading a new book this week, write a prediction of what you think is it about. Use the title, blurb and the picture to give you clues about what will happen.	Draw a table with two columns. Cut out some shapes. Cut some of them in half and stick them in one column and cut some into quarters and stick them in the other column. If you want to challenge yourself, can you create a column for shapes you have cut into thirds? <table border="1" data-bbox="996 914 1503 1236"> <tr> <td data-bbox="996 914 1238 970">half</td> <td data-bbox="1238 914 1503 970">quarter</td> </tr> <tr> <td data-bbox="996 970 1238 1236"></td> <td data-bbox="1238 970 1503 1236"></td> </tr> </table>		half	quarter			Get active and join in with some Go Noodle activities https://www.gonoodle.com/ Go Noodle is free to join and there are lots of fun activities to explore. In class we have looked at: Quiet time Water cycle Purple Stew Banana, Banana, Meatballs Meatball Run
