

Since 2014 the Government has provided £150 million per annum for the academic year to provide new, substantial primary school sport funding. This funding has been jointly provided by the Departments for Education, Health and Culture, Media and Sport, and has seen money going directly to primary school Head teachers to spend on improving the quality of sport and PE for all their children.

Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The sport funding can only be spent on sport and PE provision in schools. OFSTED will play a significant role in ensuring that schools target this funding in areas which will lead to clear outcomes in raising standards and opportunities in PE and school sport for all children throughout the Primary Phase. Prior to September 2017, schools received a lump sum of £8,000 plus a premium of £5 per pupil for the next academic year. However, in the academic years 2017-19, this amount of funding increased to £16,870.

Purpose of Funding

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer, however they will have the freedom to choose how they do this.

This means that we should use the premium to:

- develop or add to the PE and sport activities that Corsham Regis already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are **5 key indicators** that schools should expect to see improvement across. From September 2017 Corsham Regis has adopted these as its aims:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

How will Corsham Regis Primary Academy be using the funding?

At Corsham Regis, we received £16,870 in the 2018 – 2019 academic year. We have used our funding to:

1. Provide quality professional development for our class teachers, through teacher mentoring (from an outside organisation), to ensure they have the confidence and competence to develop, deliver and assess within a high quality PE curriculum.
2. Provide sport specific curriculum coaching in both KS1 and KS2 (Up and Under mentoring program).
3. Provide after school and lunchtime clubs linked to the curriculum time coaching.
4. Partly fund a cluster SSCO to oversee intra, inter, county, regional and national competition and provide curriculum support.
5. Provide a range of sports and physical activities throughout all areas of the curriculum so pupils become confident and motivated, developing a physical literacy to understand and value the importance of being active.
6. Use the REAL PE scheme of work to assist teachers in planning and delivering quality PE lessons and ensuring pupils' physical literacy.

What impact has Corsham Regis Primary Academy seen on pupils' PE/Sport Participation and attainment as a result of the funding since 2014?

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • School Games Mark Bronze Award 2016 & 18 • School Games Mark Silver Award 2019 • Introduction of REAL PE • Increased provision of extra-curricular clubs and pupil participation • Healthy Schools Award • PE Mentoring based on Change for Life model • Healthy Body, Healthy Mind theme week • Active 30:30 plan of implementation • Opportunities for physical activity open to all pupils before school daily • Replacement / repair of damaged PE apparatus • Creation of Sports Crew – pupil voice for PE • New KS1 Playground markings to encourage healthy and active play 	<ul style="list-style-type: none"> • Embed pupil led PE initiatives – Pupil Sports Crew • Increase percentage of pupils meeting the expected standard in swimming and water safety at the end of Year 6 • Embed Active 30:30 • Tailor mentoring of individual teachers in PE through strategic planning • School Games Mark – Achieve Silver Award again

Evaluation of 2014-15

Since September 2014, pupils have enjoyed the opportunities in PE and the high quality resources made available to them. They really enjoyed the competitive element when competing against other schools and have grown in confidence during lessons in a range of sporting activities: dance, football, tag rugby, cricket, multi-skills, handball, lacrosse, street surfing, athletics, tennis and gymnastics.

Extra-curricular clubs were provided by Up and Under Sports and class teachers. KS2 pupils have taken part in inter-school tournaments in football, tag rugby, netball, cricket, handball, lacrosse and hockey, while pupils in KS1 have developed their creativity through dance and gymnastics. KS1 pupils have also been able to participate in tag rugby, tennis and striking / fielding after school clubs. Our tag rugby team finished runners up in the Corsham Cluster and won the Fair Play Trophy in the process. Our Year 5/6 handball team achieved the same result in the Summer Term. In total approximately, 110 pupils accessed extra-curricular clubs this year. In order to increase KS1 participation, the PE Subject Leader surveyed KS1 pupils to find out more about their interests.

All pupils are continually reminded through discussion at the start of lessons about the importance of warming up and taking exercise as this leads to a healthier lifestyle. From the PE subject leader's monitoring it is clearly evident that:

- Effective questioning is used across all classes
- A range of sports and skills are being learnt in all classes
- All children enjoy their PE and look forward to lessons
- Lots of positive feedback is provided
- Children know when they are succeeding and can talk about the skills that they have learned

The teaching staff have also improved their pedagogy as a result of the mentoring they have received from Up and Under Sports. This has been achieved using a six week model based on two observations of a sports coach, two team teaching sessions alongside a sports coach and two lessons delivered by the teacher but observed by the sports coach with feedback given afterwards.

Pupil attainment 2014-15:

- 92% of Foundation Stage 2 pupils are working at the expected level or above
- A high percentage of all children in Y2, including Disadvantaged and Non-Disadvantaged, are attaining highly in PE
- Girls attaining higher than Boys in Y2
- Boys attaining higher than girls in Y4 and Y6
- Majority of all Y4 pupils are attaining below the expected standard. *Consequently Y4, who are now Y5, are a focus group for the PE Subject Leader*
- The majority of Y6 pupils are attaining within the mid band for their age or above

Pupil Progress:

Due to the implementation of the new national curriculum and the use of a new system of assessment using Chris Quigley's Essentials Milestone resource it will not be possible to comment on pupil progress until 2015-16.

Evaluation of 2015-16

Swimming and Water Safety	Percentage of pupils (out of 19)
Percentage of Year 6 pupils who could swim competently, confidently and proficiently over a distance of at least 25 metres.	89%
Percentage of Year 6 pupils who could use a range of strokes effectively [for example, front crawl, backstroke and	84 %

breaststroke].

Key priorities to date:	Key achievements/What worked well:	Key Learning/What will change next year:
<ul style="list-style-type: none"> • PE Subject Leader invested in REAL PE • REAL PE INSET training for staff took place in the Autumn Term with follow up staff meeting to re-visit some of the key messages and lead the staff in assessment of PE. • Up and Under Sports coaching for pupils and mentoring for teachers • Extra-curricular clubs at Regis. • Lucy Long, the School Sport Coordinator for The Corsham School, lead a lunchtime multi-sports club • Other clubs run by the teaching staff • Application for School 	<ul style="list-style-type: none"> • Teaching staff have been mentored in delivering purposeful quality sessions gaining knowledge and understanding of the structure of the lessons. • Teachers have been guided in identifying the able, talented and gifted pupils and how to support the SEN pupils in PE. • After school clubs have become increasingly popular. • Up and Under KS1 Invasion Sports Club attended by 11 pupils • Up and Under KS2 Multi Sports Club attended by 12 pupils • Up and Under Cricket Club attended by 11 pupils • Up and Under Lacrosse Club attended by 4 pupils • Up and Under Netball Club attended by 10 pupils • Up and Under Gymnastics Club attended by 12 pupils • Up and Under Hockey Club attended by 13 pupils • Multi-sports club attended by 20 pupils • Dodgeball Club attended by 15 pupils on average each week • Dance Club in the Summer Term attended by 19 pupils • Pupils in KS 2 have participated in the local cluster festivals of hockey, football, tag rugby, lacrosse, Aquathon, netball and a swimming gala. • By the end of foundation stage 2, 84% of pupils achieve the expected level of physical development, or exceed it (33%) • Year 1: 75% at Age related expectations (Milestone 1 Mid) • Year 2: 85% at Age related expectations (Milestone 1 High) & 100% made expected progress within the Milestone • Year 3: 16% at Age related expectations (Milestone 2 Mid) & 62% made expected progress within the Milestone • Year 4: 13% at Age related expectations (Milestone 2 High) & 72% made 	<ul style="list-style-type: none"> • As a result of this analysis, accelerating the progress of Year 4 and 5 pupils in 2016-17 will be a key action. • Celebrate sporting achievement consistently in school through display and social media • Increase extra-curricular club attendance and maintain level of participation in Corsham cluster events • Support new PE Subject Leader in monitoring, evaluating and reviewing PE across the school • Support new teaching staff in delivering high quality PE sessions through Up and Under Sports • Apply for School Games Mark again and look for evidence for silver award

Games Mark	<p>expected progress within the Milestone</p> <ul style="list-style-type: none"> Year 5: 82% at Age related expectations (Milestone 3 Mid) & 71% made expected progress within the Milestone Year 6: 16% at Age related expectations (Milestone 3 High) & 94% made expected progress within the Milestone Bronze School Games Mark achieved

Overall:

The quality of teaching, learning and assessment in PE across the school is continually improving. Evidence has been collected by the PE Subject Leader with feedback given to teachers. This has been acted upon and improvements have been made.

An audit of staff PE teaching skills, their knowledge and understanding, as well as their confidence in delivering PE, was conducted by the Headteacher. This has been used to inform Up and Under Coaching and Mentoring of staff.

Pupils' attitudes to PE are very positive and extra-curricular clubs / activities are well-attended.

Pupils and parents have been very complimentary about the additional PE opportunities provided before school, during lunchtimes and before the start of the afternoon session.

Social media continues to be a great way to communicate with the wider achievements.

Spending 2018-19:

Evaluation of Year 2019-20

Meeting national curriculum requirements for swimming and water safety	Percentage of pupils (out of 24)
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	67%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	62.5%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	N/A Not covered in their swimming lessons

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity **over and above** the national curriculum requirements. Have you used it in this way?

No – all pool bookings were made in May 2019 and other schools have taken available pool time.

Key priorities to date:	Key achievements/What worked well:	Key Learning/What will change next year:
<ul style="list-style-type: none"> • Up and Under Sports coaching for pupils and mentoring for teachers • Increase extra-curricular club attendance and maintain level of participation in Corsham cluster events • Provide lunchtime sport clubs for pupils • Silver School Games Mark • Active 30:30 • Sports Crew • KS1 playground markings • Personal challenge concept reinforced with pupils 	<ul style="list-style-type: none"> • All teaching staff have been mentored in delivering purposeful quality sessions gaining knowledge and understanding of the structure of the lessons, including how to best use REAL PE resources. This has been particularly targeted against their own self-evaluation and CPD needs. • PE Subject Leader has been able to monitor, evaluate and review the teaching of PE by all staff • Pupils identified as vulnerable and G&T in PE have participated in additional PE provision • In order to ensure a calmer start to the day, a decision was made at the start of the Spring Term to replace early morning exercise with physical activities to promote pupils' mental health and emotional well-being. The impact of this needs to be monitored when we return to school after COVID-19 enforced school closure. • 10 minute compulsory exercise at the end of lunchtime on the Key Stage 2 playground has continued to reduce the number of behaviour incidents as well as boost pupils' activity • Pupils talk more about personal challenge • Active 30:30 Planner used to track pupils' levels of activity • New equipment purchased for lunchtimes on the KS1 and KS2 playgrounds – new goal posts / footballs • Up and Under Multi Sports Lunchtime Club attended by 9 pupils • Up and Under KS1 Multi Sports Club attended by 9 pupils • Up and Under KS1 Gym Club attended by 24 pupils 	<ul style="list-style-type: none"> • As a result of this analysis, accelerating the progress of Year xx and xxx pupils in 2020-21 will be a key action. (pending July 2020 assessment data update) •

- Up and Under Skipping Lunchtime Club attended by 12 pupils
- Up and Under Invasion Games Lunchtime Club attending by 20 pupils
- Up and Under KS2 Netball Club attended by 15 pupils
- Up and Under KS2 Football Club attended by 20 pupils
- Up and Under KS2 Tag Rugby Club attended by 13 pupils
- Up and Under Ultimate Frisbee Club attended by 10 pupils
- Pupils in KS2 have participated in the local cluster festivals of, football, tag rugby & netball
- Year 5/6 Football Team won the Corsham Cluster festival and the Netball Team finished runners up
- Pupils' performance and achievements, including those outside of school, have been celebrated and promoted in school displays, assemblies and social media
- The academic year was cut short by COVID-19 enforced school closure.

Attainment and progress: (pending July 2020 assessment data update)

- By the end of foundation stage 2, XX% of pupils achieved the expected level of physical development, & exceeded it (XX%)
- Year 1: XX% at Age related expectations (Milestone 1 Mid+)
- Year 2: XX% at Age related expectations (Milestone 1 High)
- Year 3: XX% at Age related expectations (Milestone 2 Mid+)
- Year 4: XX% at Age related expectations (Milestone 2 High)
- Year 5: XX% at Age related expectations (Milestone 3 Mid+)
- Year 6: XX% at Age related expectations (Milestone 3 High)
