

## School Closure Daily Planning- Garnet Class

27th	Reading	Writing	Mathematics	Topic
Friday	Share a book with a sibling or adult. Talk about the characters, setting and the plot.	<p><a href="https://www.bbc.co.uk/newsround/news/watch_newsround">https://www.bbc.co.uk/newsround/news/watch_newsround</a></p> <p>Log into BBC Newsround using the link above.</p> <p>What are the headlines? Record them in your book.</p> <p>Watch three video clips of the ones that interest you the most and then using one of these write your own newspaper report.</p> <p>Remember to include all important information and present it carefully.</p>	Look around your house and find 10 different 3D shapes. For each object you find write down how many vertices, faces and edges it has.	Try to go outside today and kick a ball around. This can be done on your own, but it's much more fun with someone else! Make an obstacle course to dribble the ball around. You could try and time yourself- how quickly can you do it? Does your time improve as you practise?

		You could add a picture to your report! Happy Reporting!
