

School Closure Daily Planning- **Crystal** Class

DATE	Reading	Writing	Mathematics	Topic
Thursday	Using your reading book- what questions could you ask about your book? Can you write 2 open questions (that need an answer to be in a full sentence(s)? Can you write 2 closed questions? And 2 true or false questions? You could ask a family member to have a go at answering your questions using a section of your book.	What questions would you like to ask Jack Briars? Write it in the form of an informal letter.	What is the area of the rooms in your house? Draw a plan and write the area of each room. Remember $\text{area} = \text{length} \times \text{height}$	Draw, paint or use crafts to make a picture of King Henry VIII. Will you represent him as a young king or an old king?
