

School Closure Daily Planning- Onyx Class

DATE	Reading	Writing	Mathematics	Topic
<p>Tuesday 31st March</p>	<p>Carry on reading your second book. Can you write some comprehension questions about what you have read so far? Try to write a retrieval question (where the answer is right there in the text), an inferential question (where you need to look for clues in the text) and a vocabulary question (where you ask a question word). You could make some of the questions multiple choice. If you have not started your second book yet you could use your first book too.</p>	<p>Look up some Easter poems on line. Read them aloud and think of some actions to go with them.</p>	<p>Use Top Marks Fractions to practise reading and sorting fractions of amounts. http://resources.hwb.wales.gov.uk/VTC/ngfl/ngfl-flash/fractions/fractions.html</p>	<p>Draw an illustration for one of the Easter poems you have read.</p>
