DATE	Reading	Writing	Mathematics	Topic
<p>Monday 23rd March</p>	<p>(Please do the writing activity first before reading).</p> <p>Start reading the book you have written some predictions about. Spend around 15 minutes reading it. Then talk to someone about what it was about. Who are the characters? Where is it set? What happens? Is it the same as your predictions so far?</p>	<p>Pick a new book to start reading. Before you start, write some predictions about it. Use the title, blurb (on the back) and the picture on the front cover to give you clues. What do you think the book is about? Who will the characters be? Where will it be set? What do you think will happen?</p>	<p><u>Year 2s</u> Write out your 3X tables. See if you can recite them really quickly and answer questions randomly, out of order.</p> <p><u>Year 3s</u> Write out your 4X tables. See if you can recite them really quickly and answer questions randomly, out of order.</p>	<p>Draw a picture of a suitcase. Now draw and label all the things you might take with you if you were being evacuated. Remember that you will need practical things like toothpaste and a toothbrush but also think about what personal belongings will you want with you (a favourite toy or book perhaps?)</p>
