

FS2 Mathematics vocabulary

Number	Calculation	Geometry	Measures, money and time	Problem solving/handling data/general
count	correct, wrong	shape	measure	problem
order	the same number as, as many as, equal to	make, build, draw	compare	pattern
compare			order	answer
greatest	more, more than, most less, less than, fewer, least, greater	curved, straight	thick, thin	compare
larger, largest		hollow, solid	longer/longest	explain, show me
greater than, less than	add, makes, altogether	flat, side, corner, point, face, edge, side, round, roll, stack	heavier/heaviest	read, write
bigger, biggest	take away		holds more/holds most, holds less/holds least	information, list, table
more	leaves, difference		short, shorter, shortest	order, sort, group
fewer, fewest	combine	symmetrical	tall, taller, tallest	same, different
smaller, smallest	partition	reflection	light, lighter, lightest	count, tally
before, after	total	cube, pyramid, cone, cylinder, sphere, triangle, circle, rectangle, square	length, short, tall, high, low, wide	match
halfway, between	how many ...?, how many more to make ...?, how many more is ... than ...?, how much more is...?, how many fewer is ... than ...?, how much less is ...?		contains	
zero, one, two, three, ..., ten first, second, third, ...			weight, heavy balance, scales, weigh	

<p>'teens' number, twenty</p> <p>number line, number track</p> <p>count to, count on/back to/from, count up to/from, the same number as, as many as, equal to, about the same as</p> <p>enough, not enough, too much, too little, too many, too few, nearly, about, close to, just over, just under</p> <p>half, halfway, between</p> <p>halve, quarter, whole, part, equal parts</p>	<p>group, share, equal groups of, grouping</p> <p>double, halve, pair</p> <p>count, count up to, count on from, count on to, count in ones, twos</p> <p>odd, even</p> <p>compare more, less, how many more/less?</p>	<p>above, on top of, below</p> <p>outside, inside beside, next to</p> <p>front, back</p> <p>between, underneath</p>	<p>money, coin, pence, penny, pound, pay, change, buy, sell, price, spend, value, shopping, exchange</p> <p>time</p> <p>before, after</p> <p>long time, short time</p> <p>morning, afternoon, evening</p> <p>night, day, week, month, year</p> <p>days of the week</p> <p>clock, hands, watch</p> <p>hour, minute</p>
