

Monday	Reading	Writing
<p>Morning Activity:</p> <p>Create a list of all the flowers you can think of – can you draw them too?</p>	<p>Reading Eggs/Eggspress lesson Or Read your book and come up with 3 retrieval questions and 1 prediction question.</p>	<p>If you had to interview Christopher Columbus after his return from his trips to what he called ‘The West Indies’, what would you ask him? Write down your questions – don’t forget your punctuation! Also check your spelling of question words (where what how who which why). Practise these 3 times if you can’t remember how to spell them. Extension – play hangman with a family member using question words</p>
Maths		Topic
<p>Write out your 5 times tables.</p> <p>Can you try to learn some of them off by heart? Get a family member to test you or play Hit the Button.</p>		<p>Have a go at building a ship from junk material in your home.</p> <p>Think about how you will join things together (glue, tape, tying, plaiting, etc.), how you will strengthen materials (folding, twisting, layering), and how you will measure your materials (use a ruler to measure to the nearest cm).</p>
