

School Closure Daily Planning- **Opal** Class

Thursday	Reading	Writing	Mathematics	PE
<p><i>Morning activity:</i></p> <p>Design a chocolate Easter Egg. Will it be sweet or savoury? Will it have something special hidden inside? Label and colour it.</p>	<p>Choose a fiction book of your choice – take it in turns to read it with a parent or sibling. Why is it your favourite?</p> <p>Design a new front cover for your book.</p> <p>Extension: Write an alternative ending for your book.</p>	<p>Can you write a book review of your favourite book?</p> <p>Who are the main characters? Is it sad /funny/silly/happy story? What happens in the beginning/middle/end?</p>	<p>Measuring</p> <p>Length: Can you use a ruler to measure (to the nearest cm) five different objects in your room?</p> <p>Can you put them in order from the shortest to the longest?</p>	<p>Try to be active for at least 30 minutes.</p> <p>You could either continue with your dance routine or see if you can dribble a ball/bounce a ball/throw and catch a ball?</p>

		Try to include a connective (and/but/so/because) and don't forget your capital letters and full stops!	Extension: reasoning challenges on the class webpage.	Can you make up your own game with its own rules? Can you teach it to your parents?
