

CORSHAM REGIS PRIMARY ACADEMY

Together Everyone Achieves More

Dear Parents and Carers

Firstly, I wanted to take this opportunity to wish you all a very happy Easter, or at least as happy as it can be with everything going on in the world at the moment.

During this challenging period we have at least been blessed with good weather which I do hope you and your children are making the most of to take your daily one hour of exercise. Do make sure you do this as it will help your mental health and well-being as well as your children's.

At Corsham Regis the children attending have been learning about how Easter is celebrated in different countries around the world. So far we've learned a lot about traditions in Australia Bermuda and Poland.

If you're struggling to do any of the home learning or Easter activities suggested on Seesaw, the one thing you should try to do is keep reading with and to your child. Reading is the key to learning across the curriculum and can take many forms. Cereal packets, recipes, web pages, magazines, etc are all perfectly acceptable texts to read.

On behalf of all the staff, we are missing you and hope to see you all very soon.

If you have any questions, please contact the main office which is now open until 12:15pm only.

Mr Gareth Spicer, Headteacher.

"... the single most important activity for building the knowledge required for eventual success in reading is reading aloud to children."
Report of the Commission on Reading

Happy birthday to the following pupils next week:

Sienna in Onyx
&
Amy in Amethyst

Here are some photos from TEAM PINK since the last newsletter.
