

CORSHAM REGIS PRIMARY ACADEMY

Together Everyone Achieves More

Dear Parents and Carers

As you know Corsham Regis has remained open during the Easter holiday period for the children of key workers. Below you can see some of the learning activities which they have been participating in. I would like to take the opportunity at this point to say a huge thank you to all the staff who have come in, leaving their own families and putting themselves at wider risk of infection to look after the pupils we have had attending.

Next week your child's class teachers will be back publishing daily home learning activities on Seesaw and the class pages of our website. I know some of you find this a daunting prospect but **do what you can manage**. You have been doing an amazing job so far in a really challenging time. Please do not beat yourself up in anyway if you are finding this hard - we all are!

If you have any questions, please contact the main office which is now open until 12:15pm only.

Mr Gareth Spicer, Headteacher.

If you have been walking past the school as part of your lockdown exercise, you may have noticed our new outdoor lighting being installed to improve accessibility in the darker winter months for our users.

Happy birthday to the following pupils next week:

Emily in Opal

&

Poppy in Amethyst

Any other business:

From Monday 20th April Corsham Regis will now be finishing at **3:10pm**
