Corsham Regis Primary Academy

School Closure Home Learning - **Garnet** Class Summer 1 week 4

	Reading	Writing	Mathematics	Topic
Friday 15/05/20	Read a book of your choice for 15 minutes	You have already made up a setting and character for your legend. Think about what the build-up and dilemma are going to be in your story. You could draw and label pictures or write notes.	Practice your times tables either with a family member, on Mathletics or Top Marks website.	Coding is making up instructions for something to follow. Draw a 4x4 grid [or bigger] and draw a path from one side to the other. Then write simple instructions to follow the path. Challenge: include the degrees of a turn [90, 180, 270]. A simple example: Forward 1 Up 1 Forward 1 Up 2 Forward 1
