Start with creating some rhyming word lists to help you get your ideas flowing.</p> <p>E.g. Sam jam ham spam lamb gramme dam wham Pam</p> <p>Car far bar ha czar</p> <p>For an extra challenge can you write one about yourself or someone in your family?</p>	<p>These are your spellings this week.</p> <p>deafening piercing blaring ear-piercing raucous silent tranquil inaudible unobtrusive peaceful</p> <p>Practice them a little every day and then ask someone to test you on them on Friday. Let us know how you get on.</p> <p>For today's practice, think of a synonym for each one and put the spelling word or its synonym in a sentence. Use a dictionary if you are not sure of any meanings.</p>	<p>Go to lesson 1 on the link below and work through the PowerPoint and then try the worksheet on angles in a quadrilateral.</p> <p>https://whiterosemaths.com/homelearning/year-6/</p> <p>Remember, don't look at the answers till you've had a try!</p>	<p>Watch the following bitesize clip:</p> <p>https://www.bbc.co.uk/bitesize/articles/zj2grj6 then make a list of what you already know about the secondary school you are planning to go to and then make a second list of things you would like to find out.</p>
