

School Closure Daily Planning- Jade Class

DATE	Reading	Writing	Mathematics	Topic
<p>Wednesday 20.05.20</p> <p>YR1-Using the 5 common exception words you chose yesterday, put them all in sentences before you practice spelling them.</p> <p>FS2- play I spy with an adult.</p>	<p>YR1- Read the diary of an astronaut with an adult (see attachment) and talk to them about any unfamiliar words.</p> <p>FS2- Ask someone at home to read the diary of an astronaut (see attachment) to you and talk about what is being read. Are there any unfamiliar words?</p> <p>Phonics: https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ</p>	<p>YR1/FS2- finish off your leaflets or posters making sure they are beautifully presented.</p> <p>Remember to put your name on it.</p>	<p>YR1- Measure length-watch the video https://vimeo.com/417730894 then work through activity.</p> <p>FS2- Find 6 objects around your house that you can measure the length of. Then find objects to measure with, you could try measuring in pennies, or pegs or pasta. Remember to start measuring at the very start of the object and stop at the end. Also the pennies, pasta or pegs have to touch. See if you can draw your objects and write down how many pennies, pegs or pasta it measured.</p>	<p>Have a go at designing a new space rocket for Bob’s tourists to visit the moon in. Once you have designed it, have a go at making one, out of a fizzy drink or squash bottle. You can make it as bright and as colourful as you like.</p> <p>Once you have made it, pop it to one side as we will be launching them on Friday!</p>
