

School Closure Daily Planning- Amethyst Class

	Reading	Writing	Mathematics	Topic
Wed 20/5/20	<p>For reading and writing today, I would like you to use Pobble 365 https://www.pobble365.com/the-magic-library</p> <p>You can use the magic library for your work or find a picture that inspires you.</p> <p>For Reading: read and answer the questions in the 'Question Time!' section, about the image. Write the answers using full sentences in your book.</p>	<p>You can choose from the 'Story starter' 'Sentence challenge' or 'sick sentences' task, using the Pobble 365 resource.</p> 	<p>https://www.thenational.academy/year-6/maths/to-describe-coordinate-positions-on-a-grid-year-6-wk4-1#slide-2</p> <p>Using the above link- complete the introductory quiz and follow on activities related to Co-ordinate positions on a grid.</p> 	<p>Many afternoon activities have been topic based so today I would like you to think about a running game that could be played by children-using no equipment and where children are observing the social distancing rules.</p> <p>Once you have thought of a game/ activities see if you can get your family members to join in.</p>
