

Summer term week 2 Round up

There has been some amazing work again this week from Onyx Class.

Writing an additional verse for 'The Owl and the Pussycat'

I think they might build a house together.

Oh dear Pussy! Oh Pussy, my dear, how specially you do! my dear But you look so charming, your tail is curling.

I sorry you have with all my Pussies, not looked with wonder.

Though that look you wonder, we shall have my pussies together in your old garden, together in your old garden, garden and more.

The Owl and the Pussycat
They went in a boat
and had dinner there too.
They then had a boy
who brought them such joy,
They lived happily ever after.

Shannon by the sea beach

To Grandma and Peter,
I'm at the beach and it is very happy
but very relaxing. The sea is always cold
So not many people go in the sea.
How are you and what are you doing?
We've got a lot! I've packed most of it to deliver
rain much here. Tomorrow we are going to
a shop that sells rocks and gear. There
is a lot to do here and a lot of fun.
We've not been to many shops. It was
maybe be memorabilia but
thinking those there well there might
I don't think there well there might
be mornad things but not real ones.
See you soon
lots of love

Dear Maria,

I'm on holiday in vacation -
Super. More of the beach. I went
swimming and loved how it felt.
After lunch, we went to the
park and enjoyed the ride such
of roller coast, scary ghost bike.
It was very quiet.

It was exhausting but so
much fun but I wish you
were here.

Now, it's time to go
home and I love the journey.
See you soon!

Love John. XXX
