

School Closure Daily Planning- Onyx Class – Thursday 6th May

Reading	Writing	Mathematics	Topic
<p>Answer questions 1-7 on the text about the Romans.</p> <p>Remember to keep referring back to the text to find the answer - don't just rely on your memory or what you think the answer is.</p> <p>Use the answers to mark your own work.</p>	<p>Practise this week's spellings – you could write them out as a pyramid or using different colours. If you want an extra challenge you could write them into a sentence.</p> <p><u>Year 3</u> accident accidentally different difficult disappear address</p> <p><u>Year 2</u> water whole our great beautiful many</p>	<p>This online game will help you make and recognise fractions, including equivalent fractions – two different fractions which are the same amount (like half is the same as two quarters).</p> <p>Watch the introduction and then choose the level you think you can do – start low and then you can try higher levels if you are getting most of the answers right!</p> <p>https://whiterosemaths.com/homelearning/year-2/</p>	<p>Tennis lesson –see attachment</p> <p>If it is raining, you could do some Cosmic Yoga instead.</p> <p>https://www.youtube.com/user/CosmicKidsYoga</p>

Websites for additional work: www.topmarks.co.uk Hit the Button – good practise for times tables and number bonds.
