

School Closure Daily Planning- Onyx Class – Friday 12th June

Reading	Writing	Mathematics	Topic
<p>Answer the comprehension questions on the poem "What is pink?" and then mark your answers.</p>	<p>Over the last two weeks, we have looked at:</p> <p><u>Similes</u> - which describe things as being like something using the words as or like (e.g. The man was like a lion)</p> <p><u>Metaphors</u> - where something is described as actually being something (e.g. "The man was a lion").</p> <p>Watch the BBC bitesize video again so you are really clear about the differences between a simile and a metaphor and then complete the worksheet.</p> <p>https://www.bbc.co.uk/bitesize/topics/zfkk7ty/articles/z9tkxfr</p>	<p><u>Year 3</u> Mathletics Subtract common denominators (Complete the worksheet on subtracting fractions).</p> <p><u>Year 2</u> Identify 2D shapes on the surface of 3D shapes</p> <p>Please follow the link to The National Oak academy and watch the video and complete the worksheet and the quiz https://www.thenational.academy/year-2/maths/to-identify-2-d-shapes-on-the-surfaces-of-3-d-shapes-year-2-wk1-5#slide-4</p>	<div data-bbox="1563 347 1899 614" data-label="Image"> </div> <p>PE/Catching and throwing Follow the instructions on the 'Underarm and Overarm throwing technique' sheet. Can you practise catching and throwing the ball? If you have a partner you could see how many times you can catch the ball without dropping it. Can you have a go at these throwing and catching games on the 'Sevens ball game'? Can you complete the challenge too?</p>
