

Simile or metaphor ?

Draw a line half way down your page and write "simile" at the top of one column and "metaphor" at the top of the other column.

Copy out the sentences below into the correct column depending on whether they are a simile or a metaphor.

<u>simile</u>	<u>metaphor</u>

The stars are diamonds in the sky.

Abigail is as tall as a giraffe.

Peter is an angel.

My brother eats like a pig.

The car moved like a snail.

My dad is a teddy bear.

The house was a zoo.

The girl was as sweet as candy.
