

Reading	Writing	Mathematics	Topic
<p>Create three questions about the poem "What is pink?"</p> <p>1) A literal questions (where the answer is right there in the text and you can point to the words).</p> <p>2) A vocabulary question (about the meaning of a word)</p> <p>3) An inferential questions (where you have to use clues in the text to help you).</p> <p>As a challenge you could write a multiple choice question.</p>	<p>Today you are going to write out the poem you created yesterday in neat, using your very best handwriting.</p> <p>Start on a new page and make sure you have a sharp pencil. Remember-</p> <p>*Sit all your letters on the line.</p> <p>*Make sure there is a clear difference between your tall and small letters.</p> <p>*Join all letters unless they are CAPITALS.</p> <p>Once you have finished, illustrate your poem by drawing pictures of the things you have written about around the outside and colour them in carefully.</p>	<p>Y3</p> <p>Subtracting fractions with the same denominator from The National Oak Academy</p> <p>Please follow the link to: https://www.thenational.academy/year-3/maths/fractions-subtracting-fractions-with-the-same-denominator-year-3-wk3-4#slide-3</p> <p>Complete the worksheet and the quiz.</p> <p>Y2</p> <p>Name and describe 3D shapes</p> <p>Please follow the link to The National Oak academy and watch the video and complete the worksheet and the quiz https://www.thenational.academy/year-2/maths/to-name-and-describe-3-d-shapes-year-2-wk1-4#slide-4</p>	 <p>https://www.thenational.academy/year-3/foundation/drawing-skills-how-can-we-use-texture-to-make-our-drawings-more-interesting-year-3-wk5-5#slide-2</p> <p>Follow the link to the second art lesson looking at Texture.</p>
