

School Closure Daily Planning- **Crystal** Class

DATE	Reading	Writing	Mathematics	Topic
<p>Thursday 18<sup>th</sup> June</p>	<p>You were so good at this last week, I thought we would give it another go. Create your own set of questions using - Try to include as many different question type. For example A true or false question A tick box question</p> <p><i>Important information – I will pick questions to set for the reading learning tomorrow.</i></p> 	<p><b>Moral</b></p> <p><b>Don't pretend to be something you are not. It will lead to trouble.</b></p> <p><i>Create a story using this moral.</i></p>	<p>Lesson 3 Convert between improper fractions &amp; mixed numbers <a href="https://vimeo.com/415436982">https://vimeo.com/415436982</a></p> <p>Complete attached learning.</p>	<p>This photograph shows an arctic environment in Norway. Freezing cold wind blows across the region, and snow and ice cover the landscape for most of the year. The soil is frozen for most of the year. It is very dark, too; the Sun does not rise above the horizon for roughly two months of the year!</p>  <p>Can you describe some of the characteristics a plant might need to survive in this environment?</p>
