| <p>Answer the comprehension questions on the report about teeth.</p> <p>Then you can check the answers and mark your work.</p> | <p>Today you are going to write down some instructions for brushing your teeth. Use the same format (layout) as the instructions for washing your hands. Remember to include-</p> <p>A title Number the instructions and make sure they are in the right order. Use the present tense. Always start each instruction with a verb. Keep the instructions short and to the point.</p> | <p><u>Year 3</u> The Oak Academy -Revise parallel and perpendicular lines https://classroom.thenational.academy/lessons/to-revise-parallel-and-perpendicular-lines</p> <p>Please complete quiz at the start, watch the lesson, complete the worksheet and the final quiz.</p> <p>Extension - Mathletics Right angle relation What line am I Or you can also choose easier activities to revise shapes</p> <p><u>Year 2</u> The Oak Academy - Patterns and rotation https://classroom.thenational.academy/lessons/to-identify-how-patterns-have-been-created-through-rotation</p> <p>Please complete quiz at the start, watch the lesson, complete the worksheet.</p> <p>Extension -Turning man Have a go at pressing the "turn" button. Can you see what is happening each time? https://nrich.maths.org/5560</p> | <p>Become a rock artist and help Verity the Viper grow</p>  <p>Can you paint a rock or a pebble to help Verity the Corsham Regis Viper grow? (She is growing outside at the front of the school)</p> <p>Painting tips: The best paints to use are a waterproof craft paint or acrylic. Ideally you should use two layers to make sure the colour is thick enough and then varnish your finished piece to make it shiny but also to protect the painting. Instead of varnish you could mix some water in with PVA glue and plait this on top)</p> |
