

School Closure Daily Planning- Onyx Class 17.6.20

DATE	Reading	Writing	Mathematics	Topic
Weds	<p>Read the text on "Keeping healthy" again.</p> <p>Draw an illustration (picture) which could be used to go with each box of information to brighten it up and make it look even more appealing.</p>	<p>Use the planning format to help you prepare your poster on keeping fit through physical activity and exercise. Decide on the title, what you will say in the introduction, the activities you will include and any slogans or captions you might add. Remember, this is just the plan so you are just writing words or bullet points.</p>	<p>Y3 The Oak Academy</p> <div data-bbox="1211 451 1632 603" style="border: 1px solid black; padding: 5px;"> <p><a href="https://classroom.thenational.academy/lessons/to-recognise-right-angles">https://classroom.thenational.academy/lessons/to-recognise-right-angles</a></p> </div> <p>Please complete quiz at the start, watch the lesson, complete the worksheet and the final quiz.</p> <div data-bbox="1196 916 1615 1257"> <p style="text-align: center;">Extension</p> </div> <p>Using a ruler, create a line drawing by overlapping,</p>	<div data-bbox="1675 341 2011 667"> </div> <p style="text-align: center;">Mighty Muscles</p> <p>We are going to predict which muscles we use when we exercise</p> <p>Key words Muscles, tendons, contract, relax, biceps, triceps</p> <p>Muscles and movement</p> <p>Our muscles are attached to our bones to help us move. You will need to do 2 activities and using the worksheet can you predict</p>

			<p>rotating, and reflecting right angles.</p> <p>Y2 The Oak Academy</p> <p><a href="https://classroom.thenational.academy/lessons/to-compare-and-sort-2-d-and-3-d-shapes">https://classroom.thenational.academy/lessons/to-compare-and-sort-2-d-and-3-d-shapes</a></p> <p>Please complete quiz at the start, watch the lesson, complete the worksheet and the final quiz.</p>	<p>the muscles you think you will use? (The figures can be drawn as stickmen rather than be printed out).</p> <p>After the activity can you highlight the muscles you used?</p> <p>The two activities are:</p> <ol style="list-style-type: none"><li>1. Running</li><li>2. 2 Reading</li></ol> <p>Once you have completed the sheet can you explain what our muscles do and how they move?</p>
