

# CORSHAM REGIS PRIMARY ACADEMY

Together Everyone Achieves More

Dear Parents and Carers

Welcome back to Summer Term 6!

It's been a strange week with only small groups of children in our open classes. However, to see more children returning and looking so happy and well in school is such a pleasure for us all to see.

I know that the decision to send your child back to school is an incredibly difficult one to make as a parent in this current situation. Rest assured, everyone here wholeheartedly respects the choices you have made for your child so far.

To those of you who have decided to send children in Reception and Year 1 back, as well as new arrivals in the key worker group, I would like to say a very big thank you for preparing them so well and following our rules for drop off and collection. They have been outstanding in all ways and it has been fabulous having them back in the building.

Do take the time to check out your child's class web page from Monday as the teachers have been busy posting their plans for the topic and term ahead.

Take care and stay safe!

Mr Gareth Spicer,  
Headteacher.
