

CORSHAM REGIS PRIMARY ACADEMY

Together Everyone Achieves More

Dear Parents and Carers

I wanted to take this opportunity to congratulate all of our children in school for really embracing the changes that have been placed upon them. The teachers were apprehensive about pupils managing to social distance and stick to the regular hand washing yet they have done so brilliantly.

Thank you as well to those of you who are still sending in your completed home learning via Seesaw to your class teachers. We all know and appreciate that this is incredibly challenging for some of you, despite the best of your intentions. If you haven't already sent some learning in this week, share it today! The staff love to see the work.

Finally, the government's plan to get all pupils back to school 4 weeks before the end of Summer Term 6 have been scrapped. Although it is very disappointing for pupils, parents and staff, it is the correct decision with the current practicalities to consider. However, schools have been given some flexibility in making educational provision for other year groups based on their individual circumstances. With this in mind, we are awaiting further guidance from the DFE and Wiltshire Council, as well as evaluating our current arrangements, before deciding our next steps, which will of course be based on the best interests of the children.

Take care and stay safe!

Mr Gareth Spicer, Headteacher.

Happy birthday to the following pupils:

Chloe in Jade,
Phoebe and Mia-Rose in
Opal

Any other business:

1. Take part in the Wiltshire Virtual School Games if you can:
<https://www.wiltssport.org.uk/virtual-school-games>
Great fun to be had by all the family and some of the staff!

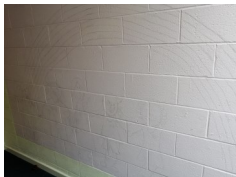

2. Keep up with the reading this summer! Whether in or out of school, regular practice can make all the difference.

Assemblies: You will have seen our assemblies on Seesaw. Do show them to your children. It's important they see faces at the school, as well as giving you a 10 minute breather!

Thank you to Laura in Opal and Richard in Amethyst for responding to this weeks assembly and telling me what they learned during the lockdown.

A week at Regis in photos!
