

School Closure Daily Planning- **Crystal** Class

DATE	Reading	Writing	Mathematics	Topic								
<p>Friday 3rd July</p>	<p>Mark your comprehension.</p> <p>Answers</p> <p>1. What was Annemie Beevers' job in 1951? <input type="radio"/> politician <input checked="" type="radio"/> Minister for the NHS <input type="radio"/> doctor <input type="radio"/> Minister for health</p> <p>2. Draw four lines and match each word to its definition.</p> <table border="0"> <tr> <td>health insurance</td> <td>When a service is no longer run by the government but is private enterprise.</td> </tr> <tr> <td>privatisation</td> <td>A disease which has spread to lots of countries.</td> </tr> <tr> <td>national health service</td> <td>The government funded health system for people in the UK.</td> </tr> <tr> <td></td> <td>The money people pay to get medical care.</td> </tr> </table> <p>3. Who has the author written this text for? People's own responses, such as: The author has written this text for people who want to know more about the NHS and how we celebrated the NHS during the coronavirus pandemic.</p> <p>4. Find and copy one word which shows that the NHS staff put the needs of others before their own. self-sacrifice</p> <p>5. Who conducted the study in which the NHS received the highest for quality of care? The Commonwealth Fund conducted the study of 11 countries.</p> <p>6. How is healthcare different in the UK compared to other countries? People's own responses, such as: In the UK, the NHS provides healthcare for everyone which is funded by taxes. Everyone who lives in the UK is treated fairly and can receive the treatment that they need. Other countries have a different healthcare system where they might have to pay health insurance. This means that not everyone will be able to access the care that they need.</p> <p>7. Which is the most important section in the text? Justify your choice. People's own responses, such as: I think that the most important section is the text in 'What might the future hold for the NHS?' because it is important for us to consider what might happen in the NHS in the future.</p> <p>8. Summarise how the NHS dealt with the coronavirus pandemic in 31 words or fewer. People's own responses, such as: The NHS responded quickly to the pandemic by building 17 temporary hospitals to treat people. They also encouraged retired NHS staff to return and help.</p> <p>9. Why do you think so many people helped Sir Captain Tom Moore to raise over £32m for NHS (NHS)? People's own responses, such as: I think people thought working 100 laps at 100 years old was a brave and challenging task for Sir Captain Tom Moore to complete. People also wanted to give money to the NHS to help fight the coronavirus pandemic.</p> <p>10. Explain in no more than 30 words what makes the NHS worth celebrating. People's own responses, such as: The NHS is free for anyone living in the UK no matter regardless of how much money they have. It is also ranked as one of the best healthcare systems out of 11 countries. NHS staff have worked incredibly hard during the pandemic to help those who need it most.</p>	health insurance	When a service is no longer run by the government but is private enterprise.	privatisation	A disease which has spread to lots of countries.	national health service	The government funded health system for people in the UK.		The money people pay to get medical care.	<p>Year 4 SPAG Quiz</p> <p>Y4 Grammar and Punctuation Quiz 4</p> <p>Year 5 SPAG Quiz</p> <p>Grammar and Punctuation Quiz 4</p>	<p>Go through the PPT and complete the activity sheet.</p> <p>Describe movement on a grid.</p>	<p>PHSE</p> <p>Understand what constitutes an emergency and why we need to know how to deal with them.</p> <p>ANSWER THE KEY QUESTIONS:</p> <ol style="list-style-type: none"> 1. Why do we have doctors? 2. Can anyone think of a time when they have been involved in an emergency? 3. Who are some of the key people that help us in emergencies? 4. What would help you to feel more equipped to know what to do in an emergency? <p>Create a poster celebrating 72 years of the NHS.</p> <p><i>The founder of the Thursday night clap, Annemarie Plas, is backing the initiative to mark the 72nd birthday of the NHS on Sunday 5 July</i></p>
