

Meet the teacher

Opal Class

Who's who?

Mrs Tremellen

I teach in Opal Class throughout the week.

Mrs Wilmshurst

I am in Opal class every morning.

Mrs Tremellen....

In her spare time, Mrs Tremellen likes to walk, spend time with family and friends, read, cook and grow things.

She lives with her husband, and looks forward to the times when her 'boys' (now 23 years old!) come home to visit.

She has been a teacher for 32 years, most recently in Northamptonshire, although she started her career here in Wiltshire.

She has taught across Key Stages 1 and 2, and loves the variety that teaching in a primary school offers, and the opportunity to contribute to the journeys of the learners in her care.

Mrs Wilmshurst....

Mrs Wilmshurst has been a teaching assistant for 10 years, and in the past year has taken on the role of Higher Level Teaching Assistant. Prior to this, she had a career in Human Resources.

Her role as an educator, extends beyond the classroom, as she has a young horse which she schools in her free time. She is passionate about horses and horse riding, but also loves to read, walk, look after the garden, travel and spend time with her family.

She lives with her husband, 16 year old daughter, 12 year old son, and a Springer Spaniel.

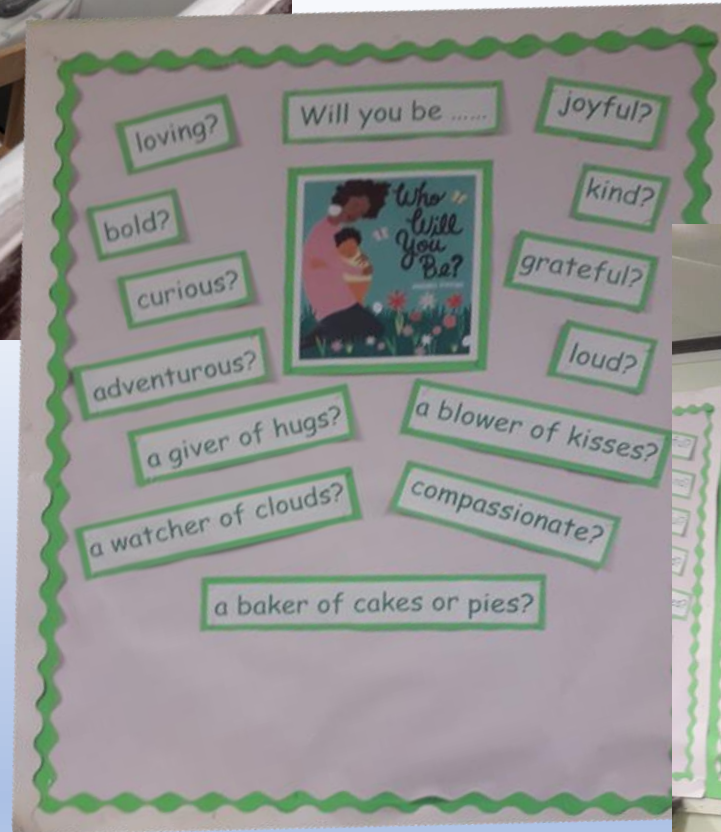

Step inside.....

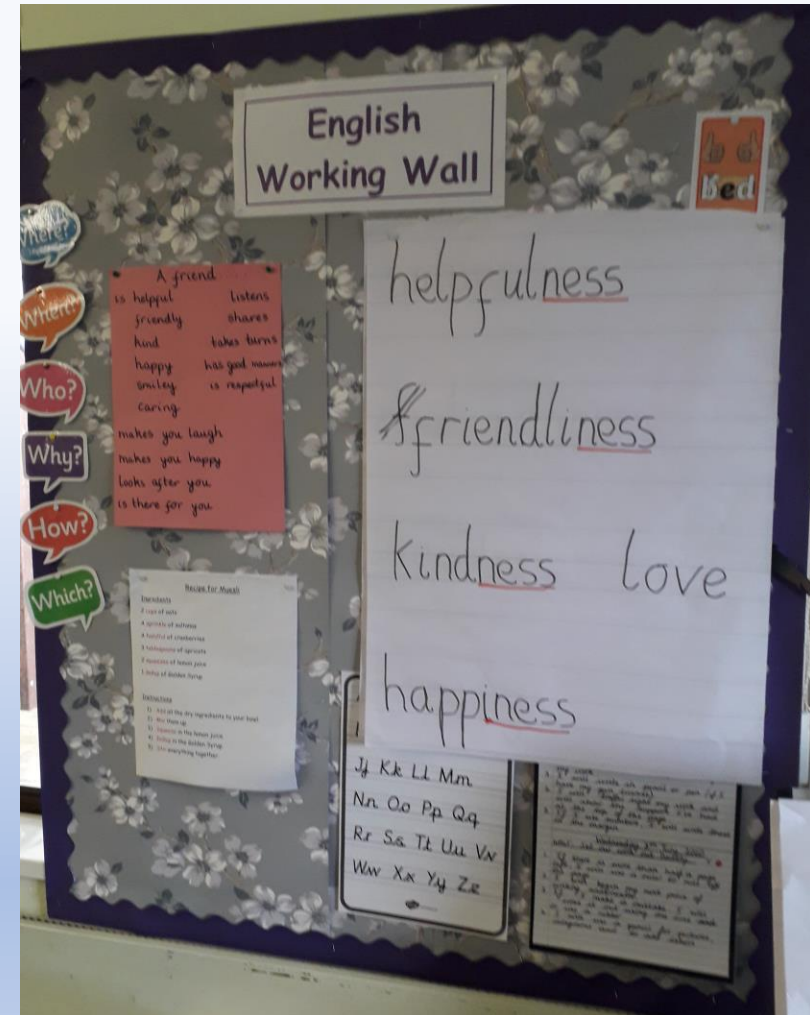

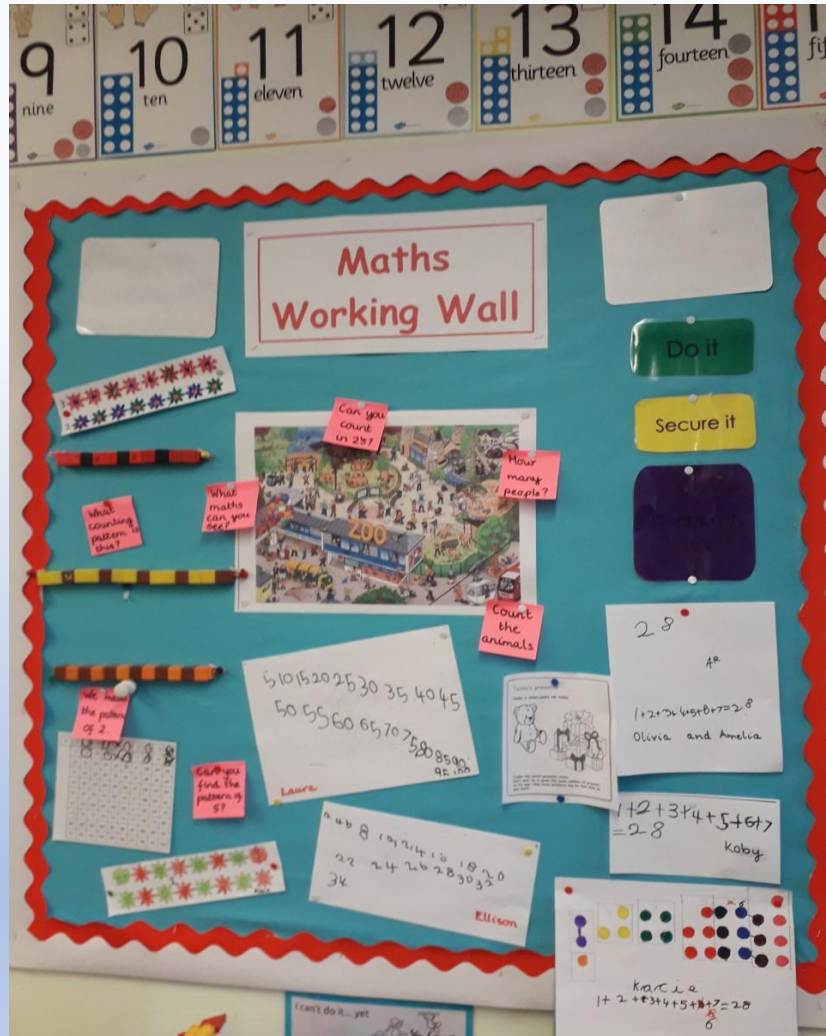

We thought you might enjoy sharing a few snaps from Opal classroom.

Opal Class Reward

P.E.

We have P.E. each Tuesday and Thursday, so ask that the children come to school dressed in their P.E. kits on these days.

Homework

Please support your child in their reading, by sharing their reading book with them every day.

Encourage your child to practice spelling the statutory Year 1 or 2 high frequency words, as applicable, as often as they can.

A last word....

Thank you all, for your huge support in making the return to school, in these uncertain times, such a successful one. Your children have been amazing! They are taking the changes to the usual school routines, very much in their stride. It is uplifting to see how much they are enjoying being back with their friends, and how positively they are responding to the opportunities provided by our well-being curriculum. This is giving us a wonderful insight into what we can now do, to support them fully on their learning journeys through the academic year. We look forward to working with you all, to make this a successful year for every child.
