# CORSHAM REGIS PRIMARY ACADEMY

## Together Everyone Achieves More

Dear Parents/Carers,

We made it to the end of our first full week back in school and what a fantastic week it has been. The children are settling well into their new classrooms and are enjoying getting to know their new teachers. We have also welcomed 16 new children to our Early Years classroom. I have been so impressed with the way that they have engaged with the wonderful activities on offer both in and outside of the classroom, I am sure that they will continue to flourish, when they join us full time.

Across the school, I have heard children using Mathematics vocabulary confidently to describe detailed pictures, seen accurately joined handwriting used to write class poetry and imagination to write the ingredients needed for friendship. It is also lovely to see an array of creative projects taking place, many of which will be displayed for all to see in our school grounds- so do look out for them!

Thank you once again for all your support- it is going to be a great term!
