CORSHAM REGIS PRIMARY ACADEMY

Together Everyone Achieves More

Dear Parents/Carers,

Another brilliant week at Regis! The children in Key Stage Two made a great start to their cricket training on Wednesday and are already looking forward to learning the skills of batting and fielding with our coach Vicky from 'Chance To Shine Cricket'.

The children in Jade had great fun experimenting with paint by making patterns using their fireworks themed Tuff tray whilst other classes around the school completed November the 5th themed mindful colouring sheets and activities.

I was very lucky to witness the excellent work taking place in Opal, Amethyst and Jade Class this week. Amethyst were practising their spellings through dictation with actions to help them understand the meaning of some very tricky words. In Opal, some of the children were using Numicon to answer multiplication calculations and in Jade the children were outside singing a song and using instruments to help them learn about the days of the week!

I wish everyone in our Corsham Regis Community a happy and healthy weekend- stay safe and look after each other!
