

Friday 20<sup>th</sup> November 2020

# CORSHAM REGIS PRIMARY ACADEMY

Together Everyone Achieves More

Dear Parents and Carers,

Onyx and Garnet have been busy this week demonstrating their knowledge, working extremely hard completing tests this week as well as some incredible eye ball making linked to their topic on light!

Amethyst have been using their language skills to write balanced arguments based on whether schools should be open during lockdown- very current!

Opal Class have been learning about Charles Macintosh and the knowledge of some of youngest children, who confidently told me all about what he invented, was impressive to say the least!

All classes have been celebrating the Hindu festival of Diwali- Jade with another spectacular themed tuff tray and Crystal in writing, comparing Diwali to Christmas.

Stay safe this weekend

Mrs Symons

## CONGRATULATIONS!

Jacob from Crystal Class

Reggie from Onyx Class

Bethany from Amethyst Class

Jamie from Garnet Class

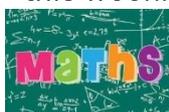

Anastasia from Opal Class

Noah from Jade

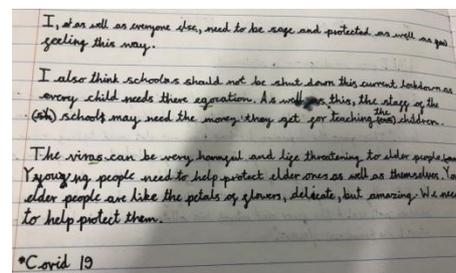

## Let's celebrate Worker of the week...

Reggie for working so very hard in his maths tests this week!

Jamie

Bethany

## Attendance
