Thursday 28.01.21	Look at the Reading Comprehension questions document and answer the questions. Make sure you use full sentences and give evidence by using phrases such as 'I know this because...' or 'this is obvious when...'	<u>History Writing:</u> Yesterday we learned about the Sumerian alphabet. Make up your own alphabet and then write a message to the class [let me know what it says!]. I will post them and you can decipher each other's codes.	Today we are going to learn how to calculate the area of triangles and you'll be pleased to know it is really quite simple. Just go to BBC Bitesize and work your way down the page. https://www.bbc.co.uk/bitesize/articles/z6bq4xs Now do the worksheet using what you have learnt.	<u>History:</u> Read through the Sumerian Gods fact sheets. In our writing next week, we will be planning a Sumerian myth. Start making a plan: decide which is your favourite God and how they are going to be in your story.
