

School Closure Daily Planning- Amethyst Class Week 5

Date	Reading	Writing	Mathematics	Topic
<p>Monday 01.02.21.</p> 	<p>Read this week's text. It is about another ancient civilisation.</p> <p>Life in the Indus Valley</p> <p><small>The Indus Valley civilisation covered a massive area, four times as large as the UK. It covered over 1000 miles that runs through modern day northern Afghanistan, Pakistan and Northwest India. The time there was a warm temperate zone but the climate got around 2000 BC and it was only during the monsoon rain season. The Harappan is called the Chopper agriculture, of the Chitra Harappan. The Harappan civilisation.</small></p> <p>Poetry Corner: Read the poem about Isaac Newton.</p>  <p>Now add an extra verse of your own.</p> <p><small>Isaac Newton wondered why all things fall down from the sky. A falling apple inspired off this notion. Asking why all things go on a downward motion?</small></p> <p><small>Gravity is force that attracts. It pulls things together, these are the facts. The bigger the object, the stronger the pull. So Earth pulls us all down, that is the rule!</small></p> <p><small>Without gravity I would float in the air, I could tumble and spin, without a cord. But I'm not sure I'd like all that flying around, I do like to keep my feet on the ground!</small></p> 	<p>Spelling: Here is your spelling list for the week: persuade physical prejudice privilege profession secretary shoulder signature sincerely vegetable</p> <ol style="list-style-type: none"> 1. Find one of the words from the spelling list in dictionary. 2. Write out the definition. 3. Put the word into a sentence. <p>Now choose another word. Go for the ones you are least familiar with. Do 8 sentences in total then either rainbow write the spelling words or challenge yourself with <i>the 1 minute beat my own record challenge!</i></p>  <p>GG: You should be putting conjunctions and/or relative clauses into at least half your sentences now.</p> <p>Super Sentences</p>	<p>Maths Memory: For this week's Maths Memory, we will have a quick revisit to long multiplication.</p>  <p>Watch my video and then have a go at the arithmetic paper.</p>   <p>Watch out for the long multiplication question! Once you have done all the questions, you can check your answers. and let me know how you got on.</p>	<p>PSHE: Being at home more than usual may mean you are going online more than usual. Have a go at this game (Bandrunner) which tests your e-safety knowledge. https://www.thinkuknow.co.uk/8_10/ When you have finished, write a list of Top Tips for keeping safe online based on what you saw in the game. Add in illustrations too, if you have large paper at home, you could make it as a poster</p> <p>Class Book: Watch the video I have made of Chapters 4-7 of our new class book. Write a bullet point list for <i>What I know already</i> and then another for <i>What I want to know.</i></p>
