

School Closure Daily Planning-Week 3 Amethyst Class

Date	Reading	Writing	Mathematics	Topic
Friday 22.01.21	Mark the answers from yesterday. Give yourself a tick for each of the points listed below. The acceptable points you could have given were that... Jimmy is a joker or a prankster; Jimmy is a rebel or a rulebreaker; Jimmy is scared easily. Did you earn all three marks? Did you include evidence? Read for 20 minutes to half an hour and then tell someone what has happened in your book or what you have learnt from it.	Have one last practice of your spellings, then join in with my dictation [video will be posted in the morning].	Mathletics: Choose an area that you find challenging. Or look for any sections on perimeter. If you still don't know your x tables, make sure you spend at least 20 minutes working on times tables and division facts.	History: WALT: explore where and when the first civilisations began. Read through the information slides and do the task at the end. How are you getting on with our routine? This is the last week on it so you should be able to do it perfectly. https://www.youtube.com/watch?v=39L-M5nhx6Y
