

## Inference questions from Pandora's Box

Today we are looking at inference. This is when you use evidence provided by the author to draw your own conclusions. Often we have to use the information the author gives us to work out things for ourselves. This is using inference skills

1. How would you describe the god, Zeus?
2. How would you describe Prometheus?
3. In the picture on this page, what do think Pandora is thinking?
4. Choose a word that describes Pandora's decision to release 'hope'.
  - a) foolish
  - b) brave

Can you explain your choice?

5. Which character do you like best in the story? Can you explain why you have made this choice?
