

School Closure Daily Planning- Opal Class

DATE	Reading	Writing	Mathematics	Other
<p>Wednesday 27.01.21</p>	<p>Watch the short animation about The Birds again: https://www.youtube.com/watch?v=nYTrIcn4rjg Think about the big bird. What sort of bird do you think he is? For example: is he a '<i>mean</i>' bird? Can you think of some adjectives to describe him? What did he do in the story, to make</p>	<p>Having reflected yesterday, on what a little bird might say to his Mummy, about why he had lost his feathers, I think he might be ready to write a letter to the big bird. Imagine you are a little bird and write this letter. What would you like to say? I there anything you are sorry for?</p>	<p><u>Y.2</u> Watch the White Rose activity video about making equal groups by grouping, and complete the activities as you watch. https://vimeo.com/492604113 <u>Y.1</u> Complete the making equal groups sheets below:</p>	<p>Go for your Wednesday mile walk or jog. When you get home:</p>  <p>Design your own stamp to commemorate Neil Armstrong and his crew, landing on the moon. Please include the date they landed. (Make your stamp A4 size please.)</p>

	you choose these adjectives?	What things might these be? Why? Is there anything you would like to do to put things right?

Useful websites for other home learning ideas and activities.

Here are a few suggestions of websites you may like to browse, for ideas of other home learning activities you could carry out with your children, during this lockdown period. I am sure there are many others available too. As I discover new ones to recommend, I will add to the list.

<https://www.bbc.co.uk/bitesize/levels/z3g4d2p>

Learning videos, games and activities for children from aged 3-16+

<https://home.oxfordowl.co.uk/reading/free-ebooks/>

Free ebook library - just sign up!

<https://whiterosemaths.com/homelearning/>

White Rose home learning resources. Ideal for reinforcing many of the concepts covered last term.

<https://www.barefootcomputing.org/homelearning>

Lots of activities you can carry out at home with your child, to help them develop skills linked to the ICT curriculum, which don't actually require screen time. Also, a couple of very good interactive screen time activities provided.

<https://www.stem.org.uk/home-learning/primary>

Lots of amazing ideas for more science and technology activities.

<http://www.robbiddulph.com/draw-with-rob>

For those of you who like drawing, some short video lessons, by the illustrator, Rob Biddulph.

<https://www.natgeokids.com/uk/teacher-category/primary-resources/>

A variety of resources for most curriculum areas.
