

School Closure Daily Planning- Jade Class

DATE	Reading	Writing	Mathematics	Topic
<p>Thursday 14.01.21</p>	<p>Play I spy with an adult, think very carefully about what the sounds begin with.</p> <p>Watch Mrs Morris’s story of Where the Wild Things Are -See attachment on Seesaw</p> <p>Then have a go at answering the questions about the story - see attachment.</p> <p>Phonics: YR1- See Zoom video- ow on Seesaw FS2- See Zoom video- d on Seesaw</p>	 <p>Where would your dream wild place be? What can you see around you?</p> <p>YR1- Draw a picture of your own special wild place and then write some sentences to describe it.</p> <p>FS2- Draw a picture of your own special wild place and then label it using your initial sounds. Can you hear and write any other sounds in the words?</p>	<p>YR1- Adding ones using number bonds. – see attachment. Work through the activity.</p> <p>FS2- One more- find a box of small objects around your house i.e. pennies, buttons, Lego bricks, pasta etc. Grab a handful of objects and count how many you have. Then add one more, how many do you have now? Practise saying ‘one more than..... is’ each time.</p>	<p>Using junk modelling can you make your own 3D wild place. It can be as colourful and imaginative as you like.</p>
