

School Closure Daily Planning- Onyx Class - Wednesday 6th January

Reading	Writing	Mathematics	Topic
<p>Listen to the story of "The Rainbow Fish" using this link:</p> <p>https://www.teachingideas.co.uk/library/books/the-rainbow-fish</p> <p>Discuss the story with someone at home. Do you like the story? What is your favourite bit and why?</p>	<p>Draw a picture of the rainbow fish and write adjectives around your picture to describe him.</p> <p>Think about what he looks like and also use words to describe his character.</p> 	<p>Use this video link to revise number facts and related calculations</p> <p>https://teachers.thenational.academy/lessons/describing-new-facts-from-number-bonds-part-2-64t66d</p> <p>Have a go at the quiz, watch the video and complete the activities. Then complete the quiz again to see if you can improve your score!</p>	<p>The rainbow fish lives in the sea. Have a go at this science experiment and record your predictions and findings.</p> <p>Use the attached worksheet or write one out if you can't print it.</p>

			<p>Find 10 object around your house and decide whether you think they will float or sink. Then fill a sink with water and test your prediction s. (Make sure an adult at home knows what you are doing).</p>
