

## We're Going on a Bear Hunt

1. What do the children hope to find on their hunt?
2. What sound do the children make when they have to walk through the long wavy grass?
3. Was the river warm or cold? How do you know?
4. What do the children come across after the big, dark forest?
5. Why do you think the children tiptoed into the cave?
6. How does the story describe the bear?
7. What do the children do when they finally reach the bear?
8. What do the children decide never to do again at the end of the story?
