

Friday 22nd January 2021

This week all the staff have been incredibly busy teaching in school, planning and providing many recorded lessons for those of you at home- we hope that you are finding these beneficial. Mrs Stone carried out a survey, with a few parents, to find out how you feel we are doing with our remote education and the results were overwhelmingly positive, thank you! You are doing a great job but please do remember to get in touch with your class teacher or myself if you need any support- we are here to help!

My assembly this week was all about Charlie Communication- I have been very pleased with the quality and quantity of work that has come my way...I even made a display! Look out next week for another of the LORIC characters and a different activity to complete!

CONGRATULATIONS AND WELL DONE to all the children who are working so very hard both in and out of school- we are so very proud of each and every one of you!

Take care, stay safe and have a lovely weekend- Mrs Abby Symons

Meet the LORIC Family

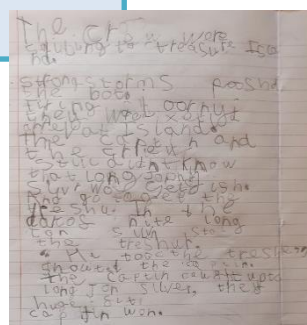

Hello, I am Charlie Communication.
I help people to become better at communicating with each other.

Continuing to celebrate the wonderful work of our pupils at Regis...

Rhea has been chosen by Mrs Bagnell and Mrs Wicheard- she has been amazing and has produced some great work this week based on "Treasure Island". After producing a storyboard, she did some great writing with amazing vocabulary, WOW words and even speech. We loved her treasure island map too!

Arlo is worker of the week this week for completing lots of online learning tasks and he even wrote this beautiful invitation to the bear, using all his sounds. Well done Arlo!
