

School Closure Daily Planning- Amethyst Class - Spr 4 Week 1

Date	Reading	Writing	Mathematics	Topic
<p>Friday 26.02.21.</p>  <p>Don't forget Mrs R's End of Week zoom meeting at 9.30am</p> 	<p><u>Infer, retrieve, summarise, compare and explain meaning</u> Mark the answers from yesterday. Read for 20 minutes to half an hour and then tell someone what has happened in your book or what you have learnt from it.</p>  <p>Research the author of your book and write down three interesting /fun facts about them.</p> 	<p>Spelling: Have one last practice of  spellings. Then get ready, it's Dictation Time!</p> <p>SPaG: Complete the grammar and punctuation test [2]. Answers can be found on the last page.</p>	<p> Watch the video and complete the work sheets on translations. It can be tricky so use that pause button and rewind as much as you need to. https://vimeo.com/481216178</p> <p>Something a little harder... Create some examples of your own using the squared paper you will need to draw and label your own axes. For each one write the co-ordinates and describe the translation left/right and up/down</p> <p>Something a little easier...try the Something Easier Translations worksheet.</p>	<p>Geography: Features of a river. Read through the slides, then choose a sheet to complete. Extension: Model it! Create a 3D model of a river system. You could use natural materials, modelling dough, lego or any other medium to make your representation. Try to include all the key features and label them.</p>
