

School Closure Daily Planning-Week 5- **Amethyst** Class

Date	Reading	Writing	Mathematics	Topic
<p>Friday 05.02.21.</p> 	<p>Mark the answers from yesterday. Read for 20 minutes to half an hour and then tell someone what has happened in your book or what you have learnt from it.</p>  <p>Write a short blurb for a book you have read recently.</p>	 <p><u>Spelling:</u> Have one last practice of spellings. Then get ready, it's Dictation Time!</p> <p><u>SPAG:</u> Complete the grammar test 1. Just do what you can - you may have missed some things from Year 5. Answers at the end, but no peaking until you're finished!</p> 	<p>Today we are going to think about all the work we have done on decimals and fractions and now link it to percentages. https://vimeo.com/492474663 It is really important that you pause frequently to make sure you have understood what is being shown to you. Some of this you have done before but some may be new. There's no rush, so pause often and be secure in your learning. Well done you ahev been amazing in Maths this week. Now maybe have a treat...</p>  <p>100% of a doughnut 0.25 of a chocolate bar $\frac{3}{4}$ of a cupcake!</p>	 <p><u>Science:</u> Identify magnetic materials - go through the information on the slides, answering the questions as you go. Then complete the task, by either printing off the sheet or drawing your own table into your books, copying the headings and questions. Extension: make a presentation about what you have learned about magnetic materials, presenting your findings from your experiment.</p>
