

Date	Reading	Writing	Mathematics	Topic
<p>Tuesday 23.02.21.</p> 	<p><u>Ask questions to understand the text.</u> Highlight unknown words - what could they mean? Discuss: what the text is about? Anything of interest? Do you like it or not? Why? Annotate on the text thinking about how it should sound to the audience like we do in class. Can you read it to someone in your family? Give a performance.</p>  <p>Can you get someone in your home to do a performance with you? Decide who is reading which lines.</p>	<p>SPaG: Do the following SPaG activity</p>  <p>Writing: Today we are having a revisit to alliteration, we looked at it briefly in the autumn. Work through the Alliteration pdf and do the challenges on the last few pages. I am waiting with</p>  <p>wonder to read what you write!</p>	<p>In Maths this week we are having our first Geometry week, we are focusing on Position and Direction. We will begin by looking at quadrants.</p>  <p>https://vimeo.com/481214525</p> <p>Work through the video and complete the worksheet. Then use the answer sheet to mark your work. How did you get on?</p>  <p>Anything you don't understand just ask us on Seesaw.</p> <p>Something a little harder... Try the first quadrant mastery worksheet. Then check how you got on with the answer sheet.</p> <p>Something a little easier... Try the What are the co-ordinates worksheet.</p>	<p>Languages: This term we are learning about the countries and culture of France and the French language we will start with this question... Where in the world is French spoken?</p>  <p>Read through the pdf version of our PowerPoint and then create a fact file about what you have learnt. You should include bullet points, subheading and drawings.</p> <p><u>Class Book:</u></p>  <p>Watch my video of the next instalment of Skellig.</p>
