

# Captain Tom Moore

Captain Tom Moore is the war veteran who made headlines around the world in mid-April 2020, when he pledged to raise money for the National Health Service (NHS), by walking 100 laps around his garden before his 100<sup>th</sup> birthday on April 30<sup>th</sup>.

## The Challenge

Captain Tom has long been a supporter of the NHS. He had spent some time in hospital after a hip replacement a few years ago and has been following the news about the NHS, as they battle to treat patients during the COVID-19 crisis. He decided to set himself the challenge of completing 100 laps of his 25 metre garden, by walking 10 laps each day, with the help of his walking frame and finishing before his 100<sup>th</sup> birthday. Captain Tom hoped to raise £1000 for NHS Charities Together.

## Worldwide Support

Captain Tom's challenge was reported by his local news and word soon spread about his amazing effort. People very quickly took Captain Tom to their hearts and his story was shared more widely, including on the national news. As more people heard about his challenge, they donated money to the cause. Within a day, Captain Tom had exceeded his target.

Captain Tom completed 100 laps (his last ten, with a guard of honour) two weeks before his birthday, so decided to increase the number of laps he walked to 200.

## Fundraiser and Record Breaker

To help celebrate reaching 100 laps, singer Michael Ball, the NHS Voices of Care Choir and Captain Tom released a version of the song 'You'll Never Walk Alone', which went straight to number one in the singles charts. Captain Tom (aged 99 at the time) is the oldest person ever to reach number one and the single is

the fastest selling of 2020 so far. Every single sold raises more money for the charity. Captain Tom also holds the record for the largest amount of money raised on a charity walk, by an individual. The money will be used to fund community groups that help support patients when they have left hospital, as well as wellbeing packs for NHS workers.
