This link shows you some of the jewellery that archaeologists have found. The jewellery is beautiful and it is hard to believe that it is more than 3,000 years old!</p> <p><a href="https://www.youtube.com/watch?v=4-7QMvCngYk">https://www.youtube.com/watch?v=4-7QMvCngYk</a></p> <p>Have a go at making an Ancient Egyptian collar like the one below. You can use card (from a cereal packet). Colour it in, paint it or cover it in tin foil. Then glue on pasta or other small bits. Finally, attach a piece of string/wool/thread. If you have some other ideas about how to make some other Egyptian jewellery then let your creativity go!</p>
